#### Submission instructions:

Posters should be related to SSEL2020 Conference theme topics.

Authors are expected to present their poster during the SSEL 2020 poster session and be available for discussion. As such, an acceptable submission must include a PDF of the poster abstract.

The submission should provide sufficient detail about your research project and the following information should be covered:

1. Poster title
2. Author(s) name(s) and institution(s)
3. A brief structured abstract (250–300 words)
  - Objective
  - Methods
  - Results
  - Conclusions
  - Keywords

All posters must use the A0 portrait format (841 × 1189 mm/33.1 × 46.8 in).

---

All submissions will be reviewed by SSEL2020 Scientific Committee and decisions will be made available via email. Authors are expected to respond to reviewer comments and, if necessary, resubmit their updated poster abstract.

Authors are responsible for printing, setting up and removing their poster at the conference.
