

APPLICATION FORM FOR ENLIGHT FUNDING

In order to support joint activities between the nine ENLIGHT universities in the area of education and research, the University of Göttingen will fund virtual exchange and mobility schemes, as well as the organisation of international workshops and learning formats.

ENLIGHT recognises that faculty, staff, and students need an environment in which they are respected and valued for their contributions in order to work and study effectively. This applies irrespective of their age, (dis)ability, gender reassignment, marriage and civil partnership, pregnancy and maternity, ethnic origin, religion and belief, sex and sexual orientation. Furthermore, ENLIGHT is committed to helping faculty, staff, and students to balance the multiple responsibilities associated with work, academic, and personal life.

Furthermore, ENLIGHT seeks to implement green mobility solutions to reduce the adverse climate effects of raised mobility levels in the short-term and serve as a model for substantially lowering emissions in mobility and living.

All activities will be funded with support of the DAAD, BMBF and Erasmus+-programme. Please note that only researchers, staff and PhD students from the University of Göttingen (incl. University Medical Center Göttingen) can apply. The projects applied for here must not be co-financed by other funding sources.

Deadline for application and application form: 10.01.2023.

Please select the applicable funding option

VIRTUAL EXCHANGE

INDIVIDUAL PHYSICAL MOBILITY (only outgoing)

I hereby certify that the individual mobility applied for here cannot be financed from funds available to my faculty under the Erasmus+ Key Action 131.
